

Public Procurement Regulatory Authority, Islamabad

Engagement of Independent Procurement Experts

Public Procurement Regulatory Authority (PPRA) is an autonomous regulatory body established under the Public Procurement Regulatory Authority Ordinance, 2002. **PPRA** is entrusted with the responsibility to ensure transparency, accountability, and efficiency in public procurement process across all federal government organizations.

PPRA has established a **Pool of Independent Procurement Experts** to strengthen efficiency, fairness and transparency in public procurement process. The selected experts are to be engaged by procuring agencies based on their field of expertise on assignment basis to assist them in independent review/evaluation of procurement processes ensuring compliance of Procurement Rules and transparency in public expenditure.

Applications are invited by PPRA from qualified professionals, having experience in public, private and/or development sectors for inclusion in this pool. The selected experts will be engaged by procuring agencies, as and when required, to serve as independent members of any of the following committees during the procurement process:

- Bid Evaluation Committee
- Grievance Redressal Committee
- Third-Party Validation Committee
- Inspection Committee
- Disposal Committee

ELIGIBILITY CRITERIA:
